INTEGRA PRO

DOUBLE LANYARD WITH SNAPHOOK AND SCAFFOLD HOOKS

LII02W5

The Integra Pro is a twin-tailed lanyard with a fully integrated built-in internal energy absorption system designed for continuous 3-point connection to reduce the risk of a fall and the compact polyamide tubular twin legs provide unhindered movement when not in use.

The unique ZERO® built-in internal webbing energy absorption system is made from specially woven components within the tubular webbing to rapidly reduces energy in a fall.

RATING: 100kg	**LIFESPAN:** 10 Years
